LEARNING SPACES

St Catherine’s School is committed to the continued development of modern educational spaces that are innovative in design and respectful to sustainable building practices and our heritage properties.

ST CATHERINE’S IS COMMITTED TO:

- The continued creation of an aesthetically pleasing environment that fosters School pride and optimal learning for students;
- The re-development of the St Catherine’s Junior School to foster the education, growth and creativity of young minds;
- Providing state-of-the-art learning spaces to support the Performing Arts and Sporting programs;
- The ongoing refurbishment and improvement of staff work spaces to foster collaboration and collegiality;
- Ensuring the future development of the campus reflects the School’s commitment to green spaces and sustainable building practices.
