

St Catherine's School

# Quick Guide to Accessing RealTime Reporting

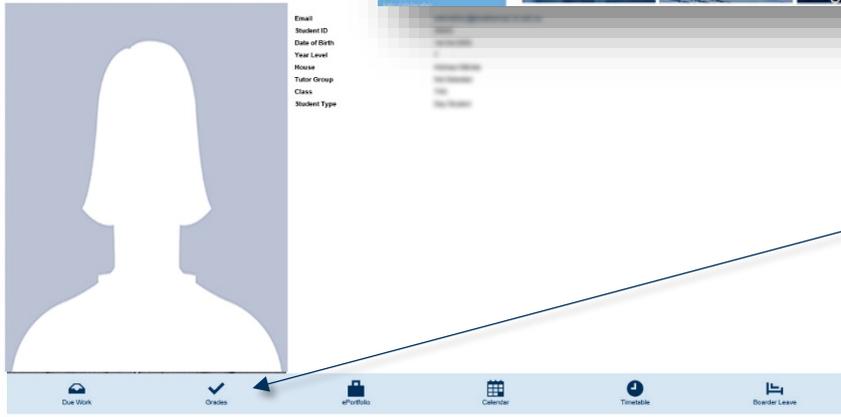

## Step One:

Log into your MyStCatherines Account and click on your daughter's name.

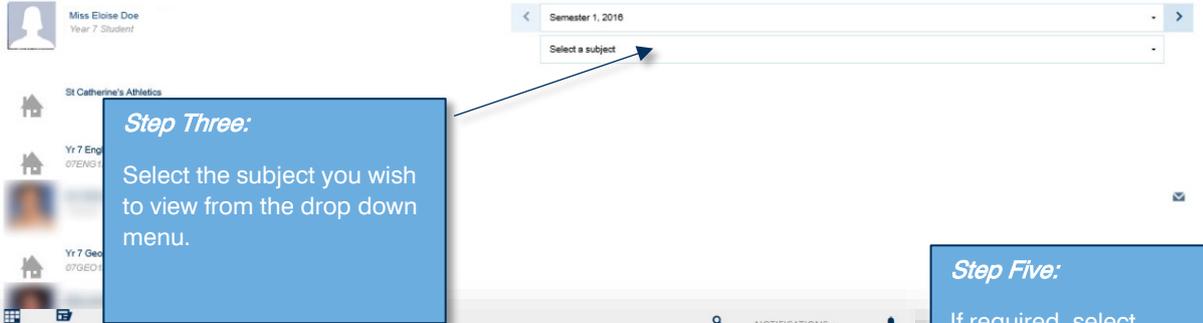

## Step Two:

On your daughter's profile page, click on the "Grades" button.

## Grades for Semester 1, 2016

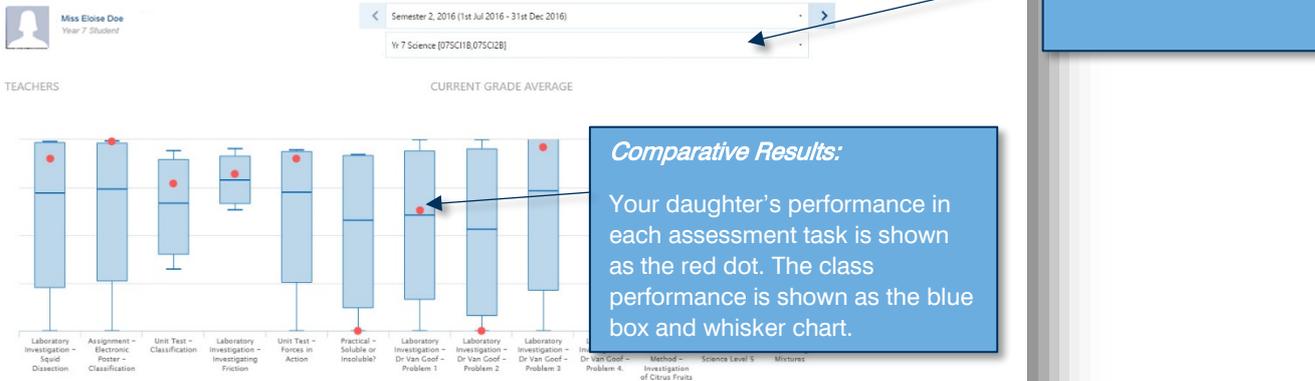

## Step Three:

Select the subject you wish to view from the drop down menu.

## Step Five:

If required, select another subject from the drop down menu.

## Grades for Yr 7 Science

## Comparative Results:

Your daughter's performance in each assessment task is shown as the red dot. The class performance is shown as the blue box and whisker chart.

## Step Four:

You can now read the comments and grades for your daughter's assessment tasks.

## Please Note:

The comments and grades for some classwork tasks are not visible to parents.
